

Customer and Partner Engagement

Practical insights on loyalty, incentive, referral, rewards, and engagement programs that help organizations create stronger customer and partner relationships.

Integrate Gamification Program with Open ERP

Rohit Singh • VP of Customer Engagement • [Schedule Free Consultation](#)

An ordinary loyalty program doesn't quite meet the standard in today's high-stakes economy with the touch of a gamification program in it. There has to be some X-factor and uniqueness to build a win-win situation for business.

In this regard, an effective [Gamification approach will work as a motivating strategy](#) that consists of gaming techniques into a loyalty reward program to engage and enhance customer brand loyalty.

There has been a significant increase in OpenERP usage, and the companies are also willing to integrate Gamification Program into their business process. **NextBee** has been helping top brands to integrate its Gamification Program with OpenERP to ease out the situation.
