

Customer and Partner Engagement

Practical insights on loyalty, incentive, referral, rewards, and engagement programs that help organizations create stronger customer and partner relationships.

Integrate Gamification Program with RingCentral

Rohit Singh • VP of Customer Engagement • [Schedule Free Consultation](#)

A Gamification program is a tool used by business organizations to train employees and motivate them toward better performance.

However, they are also increasingly being used to drive customer engagement. The solution will be an essential element for brands to drive customer marketing and loyalty in the years to come.
