# Integrate Gamification Program with Salesforce

Rohit Singh • VP of Customer Engagement • [Schedule Free Consultation](#)

Gamification program is the utilizes gaming mechanics and gaming analogies to non-gaming situations. It alludes to applying gaming procedures to non-gaming forms to include fun and enthusiasm, draw in, permit individuals to experience the adrenaline and feeling of rivalry, and pick up triumph.

Counting gaming components to the organizations' techniques bring about a blend of fun and business, making routine exercises more appealing and has a critical effect on the organization's showcasing and worker execution.

Salesforce being a high-end, robust, and flexible business application used by many companies, can be integrated with Gamification Program. Both Salesforce and **NextBee's** Gamification Program would be a winning combination to streamline any organization's business process.
